4. Telephone Kiosk –The appearance of a public notice in the Telephone Kiosk informing that it was available for adoption or sponsorship and the dates included on this, this meeting was called to discuss the options.

An application has been made to English Heritage for listing and this has proceeded to the second stage. They will be contacting BT as part of the application.

Cllr Ennals contacted DAPTC and e-mail had been received from them stating that West Dorset District Council are working on a Veto and a letter is being sent to the Parish Council Clerk to register that Toller Porcorum supports the veto, meaning the telephone box will remain in situ and in full working order at least for the time being.

The Options of Adoption and Sponsorship were discussed and it was agreed in principle that if BT appeals successfully against the veto the council would sponsor the box for one year. Then consult with residents on their wishes for the future of the box and equipment.
